

LIQUID CHURCH *Together we believe...*

GOD

We believe in one true God in three persons; Father, Son and Holy Spirit, Creator of heaven and earth. This is a God who knows us personally, loves us fully and desires that all of creation be restored and transformed by relationship with Him. God is at work reconciling all people and all things through Christ and bringing about a new creation.

JESUS

We believe in one Lord, Jesus, son of God, son of man; fully God and fully man. Jesus is the pathway to salvation, a gift freely given of God to each of us. All who choose to receive this gift of salvation will know and be transformed by the grace, abundant life and freedom available to everybody. As followers of Jesus, we also choose to be committed to the practices of baptism and the Lord's Supper as we remember and follow in Christ's life, death and resurrection.

SPIRIT

We believe in the Holy Spirit, the very breath and power of God. The Holy Spirit is our sustainer and the equipper of our life in Christ. The Holy Spirit displays Jesus alive in us, and through us, in the gifts He gives every person, and He overflows to others in fruit and fruitfulness as we grow. This enables and equips all followers of Jesus to be in mission and ministry, each one a part of the 'priesthood of all believers'.

CHURCH

We believe in the church, Christ's body or family here on earth. The church is called to love and welcome all people, wherever they are on a spiritual journey. As a Spirit led and empowered redemptive community the church offers a pathway towards discipleship, forming people who are a sign, witness and foretaste of the Kingdom, always participating in Jesus' ongoing mission in the world and always seeking to join with God in His activities there.

BIBLE

We believe in hearing and following God's voice through the Bible, the Spirit-breathed Word of God and the authoritative and trustworthy guide in all matters of life, faith and conduct. Through Bible reading and explanation, and by the working of the Holy Spirit, people encounter God and his bigger story, articulated clearly in the life, death and resurrection of Jesus; are transformed into His image; and can discern and participate in God's purposes for creation.
